## Leeds PCC

### Terms of Reference

To consider and, where it appears to the Committee desirable, to make recommendations to the ITA Executive Board/Authority with respect to any issues affecting local public transport which:-

- have been referred to a Committee by the Authority;
- have been the subject of representations to a Committee by, or on behalf of, users of the services;
- appear to a Committee to be matters to which consideration should be given.

To represent the views of users in relation to local public transport issues.
