

Independent auditor's report to the West Yorkshire Passenger Transport Authority

Opinion on the financial statements

I have audited the financial statements of West Yorkshire Passenger Transport Authority and its Group for the year ended 31 March 2007 under the Audit Commission Act 1998, which comprise the Foreword to the accounts, the Income and Expenditure Account, the Statement of Movement on the General Fund Balance, the Statement of Total Gains and Losses, the Balance Sheet, the Cash Flow Statement, the Group accounts and the related notes. These financial statements have been prepared under the accounting policies set out within them.

This report is made solely to the West Yorkshire Passenger Transport Authority in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 36 of the Statement of Responsibilities of Auditors and of Audited Bodies prepared by the Audit Commission.

Respective responsibilities of the Chief Financial Officer and auditors

The Chief Finance Officer's responsibilities for preparing the financial statements in accordance with applicable laws and regulations and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2006 are set out in the Statement of Responsibilities.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report to you my opinion as to whether the financial statements present fairly the financial position of the Authority in accordance with applicable laws and regulations and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2006.

I review whether the statement on internal control reflects compliance with CIPFA's guidance, 'The Statement on Internal Control in Local Government: Meeting the Requirements of the Accounts and Audit Regulations 2003' published on 2 April 2004. I report if it does not comply with proper practices specified by CIPFA or if the statement is misleading or inconsistent with other information I am aware of from my audit of the financial statements. I am not required to consider, nor have I considered, whether the statement on internal control covers all risks and controls. I am also not required to form an opinion on the effectiveness of the Authority's corporate governance procedures or its risk and control procedures.

Basis of audit opinion

I conducted my audit in accordance with the Audit Commission Act 1998, the Code of Audit Practice issued by the Audit Commission and International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Authority in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Authority's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In my opinion the financial statements present fairly, in accordance with applicable laws and regulations and the Statement of Recommended Practice on Local Authority Accounting in the United Kingdom 2006, the financial position of the Authority and its Group as at 31 March 2007 and its income and expenditure for the year then ended.

Conclusion on arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's Responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to regularly review the adequacy and effectiveness of these arrangements.

Under the Local Government Act 1999, the authority is required to prepare and publish a best value performance plan summarising the authority's assessment of its performance and position in relation to its statutory duty to make arrangements to ensure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.

Auditor's Responsibilities

I am required by the Audit Commission Act 1998 to be satisfied that proper arrangements have been made by the authority for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires me to report to you my conclusion in relation to proper arrangements, having regard to relevant criteria specified by the Audit Commission for other local government bodies. I report if significant matters have come to my attention which prevent me from concluding that the authority has made such proper arrangements. I am not required to consider, nor have I considered, whether all aspects of the authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

I am required by section 7 of the Local Government Act 1999 to carry out an audit of the authority's best value performance plan and issue a report:

- certifying that I have done so;
- stating whether I believe that the plan has been prepared and published in accordance with statutory requirements set out in section 6 of the Local Government Act 1999 and statutory guidance; and
- where relevant, making any recommendations under section 7 of the Local Government Act 1999.

Conclusion

I have undertaken my audit in accordance with the Code of Audit Practice and having regard to the criteria for other local government bodies specified by the Audit Commission and published in December 2006, I am satisfied that, in all significant respects, West Yorkshire Passenger Transport Authority made proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ending 31 March 2007.

Best Value Performance Plan

I issued my statutory report on the audit of the authority's best value performance plan for the financial year 2006/07 on 13 November 2006. I did not identify any matters to be reported to the authority and did not make any recommendations on procedures in relation to the plan.

Certificate

I certify that I have completed the audit of the accounts in accordance with the requirements of the Audit Commission Act 1998 and the Code of Audit Practice issued by the Audit Commission.
