- 2.4. The following issues were raised at the last meeting and subsequent actions are detailed below;

<b>Issue</b>	<b>Action</b>
Clarification regarding the 0935 departure from Garforth to Blackpool still runs	Metro has confirmed that this service does run through to Blackpool. Unfortunately on 16 January 2006 the service terminated at Leeds Station due to a signal failure. The timetable for this service has been checked and is correct.

2.5. At the last meeting of the Passenger Consultative Committee, Mrs Hutt from Swillington submitted a petition requesting Arriva reconsider the withdrawal of the 06:46 Castleford to Leeds service 169. Arriva have re timed several journeys and the corresponding journey on service 168 now departs Castleford at 06:36 with a later service 167 departing at 06:51. There remain five departures to Leeds from Castleford on the 167/168 service group between 06:26 and 07:21 all of which serve Swillington. Mrs Hutt has been advised of the new timetable.

### 3. **RECOMMENDATIONS**
