December 2009 Rail Timetable

- 1.2. The major changes introduced in the December 2008 principal timetable will be carried forward, together with some minor changes introduced in the May 2009 subsidiary timetable.
- 1.3. An extra minor change is that on Mondays to Fridays the 1728 Leeds - York train, which has more capacity, will call at Church Fenton and Ulleskelf instead of the 1529 Blackpool North - York (1741 Leeds) train.
- 1.4. On Sundays from 7 February to 28 March 2010 owing to closure of the Caldervale Line west of Halifax for engineering work, replacement bus services are expected to be provided between Halifax and Todmorden/ Blackpool, with details included in the timetable
- 1.5. First TransPennine Express will be providing two additional trains between Manchester Airport and Scotland on Mondays to Fridays by re-arrangement of the Class 170 unit workings on Hull services and on the South route, making 11 trains in each direction with Edinburgh every two hours and 4 well-spaced Glasgow trains.
- 1.6. On Mondays to Fridays there are some adjustments to evening trains on the North route. The 1540 Hull - Manchester Piccadilly train will call at Garforth at 1623 in place of the 1450 Middlesbrough - Manchester Airport train.
- 1.7. The 1956 Hull - Leeds train will be retimed to 2045 FX, 2035 FO running through to Manchester Airport on Fridays.
- 1.8. The 2000 Middlesbrough - Manchester Airport train will terminate at York on Fridays. In the opposite direction the 0100 Manchester Airport - York train will depart at 0038 MX, 0048 MO, cease to call at Huddersfield and arrive in York earlier.

- 1.9. The 1922 Liverpool - York train will be diverted to Hull in place of the 2105 Leeds - Hull train, while the 2022 Liverpool - Hull train will be diverted to York with a separate connecting 2222 Leeds - Hull train.
